

AWARDS NIGHT SONGS

Goodbye My Friend

Another summerme has come,
Those endless days just filled with fun,
And yet this summerme will be,
A lile different for me,
Though many brightly shining lights are beckoning,
Right here, right now, will always be special to me.
And so it's,

Goodbye my friend,
It's not the end,
How could it be when we've got,
Such memories to set us free,
When we find being grown up isn't all that it's cracked up to be.

Here's where I learned to use a pen,
And count in multiples of ten,
Here's where I learned of foreign lands,
And to throw frisbees with my hands,
Though opportunity is knocking at my door,
Right here, right now, is what really matters to me.
And so it's,

Goodbye my friend,
It's not the end,
How could it be when we've got,
Such memories to set us free,
When we find being grown up isn't all that it's cracked up to be.

And who knows when we're old and grey,
We'll raise a glass to yesterday,
We'll talk of characters long gone,
And wonder how they're geng on,
And I hope that our paths will cross again someday,
'Cause right here, right now, will always be precious to me.
And so it's,

Goodbye my friend,

It's not the end,

How could it be when we've got,

Such memories to set us free,

When we find being grown up isn't all that it's cracked up to be.

(x2)

GREENDAY – GOOD RIDDANCE (LONGTON PRIMARY VERSION)

Another turning point, we're off to our high school

Time grabs us by the wrist, it's time for us to move

So now at Longton it is right to say goodbye

Let us all hope, that our teachers will not cry.

It's something quite incredible, I hope you can see why,

We have had the time of our lives.

We'll keep the photographs, and still frames in our minds
Hang them on a shelf in good health and good time
Friendships and memories will last our whole lifetime
Despite the work, it's been worth all the while

It's something quite incredible, I hope you can see why,
We have had the time of our lives. **(x3)**

Three Lile Birds

"Don't worry about a thing,

'Cause every lile thing gonna be all right.

Singin': "Don't worry about a thing,

'Cause every lile thing gonna be all right!"

Rise up this mornin',
Smiled at the risin' sun,
Three lile birds
Beside my doorstep
Singin' sweet songs
Of melodies pure and true,
Sayin', ("This is my message to you-ou-ou:")

"Don't worry about a thing,
'Cause every lile thing gonna be all right.
Singin': "Don't worry about a thing,
'Cause every lile thing gonna be all right!"

Rise up this mornin',
Smiled at the risin' sun,
Three lile birds
Beside my doorstep
Singin' sweet songs
Of melodies pure and true,
Sayin', ("This is my message to you-ou-ou:")

"Don't worry about a thing,
'Cause every lile thing gonna be all right.
Singin': "Don't worry about a thing,
'Cause every lile thing gonna be all right!"

PRODUCTION SONGS

Buerfly Shoes

Slip your feet into buerfly shoes

And spread your wings wherever you choose.

Distant lands shall now be near

And clouds of mystery shall be clear.

There's no need to look for clues

For those who wear, the buerfly shoes.

You've got to pinch a granny or two

[Robbers]

In this life, one thing counts

In the bank, large amounts

I'm afraid these don't grow on trees,

You've got to pinch a granny or two

You've got to pinch a granny or two, boys,

You've got to pinch a granny or two.

[Whole Class]

Large amounts don't grow on trees.

You've got to pinch a granny or two.

[Robbers]

Robin Hood, what a crook!

Gave away, what he took.

Charity's fine, subscribe to mine.

You've got to pinch a granny or two

You've got to pinch a granny or two, boys

You've got to pinch a granny or two.

[Whole Class]

Robin Hood was far too good

He had to pinch a granny or two.

Where's your granny gone?

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Far, far away

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Far, far away

Far, far away

Last night, I heard my granny singing a song
Ooh-We, Chirpy, Chirpy, Cheep, Cheep
Woke up this morning and my granny was gone
Ooh-We, Chirpy, Chirpy, Cheep, Cheep
Chirpy, Chirpy, Cheep, Cheep, Chirp

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Far, far away

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Where's your granny gone? (Where's your granny gone?)

Far, far away

Far, far away

Always look on the bright side of life

Always look on the bright side of life (*whistle*)

Always look on the light side of life (*whistle*)

If life seems jolly roen

There's something you've forgoen

And that's to laugh and smile and dance and sing

When the shoes have gone away

Don't be in dismay

Just purse your lips and whistle, that's the thing

Always look on the bright side of life (*whistle*)

Always look on the light side of life (*whistle*)

If life seems jolly roen

There's something you've forgoen

And that's to laugh and smile and dance and sing

When the shoes have gone away

Don't be in dismay

Just purse your lips and whistle, that's the thing

Always look on the bright side of life (*whistle*)

Always look on the light side of LIFE! (*whistle*)

Something Inside So Strong

The higher you build your barriers, the taller I become
The farther you take our shoes away, the faster I will run
You can deny me, you can decide to turn your face away
No maer 'cause there's

Something inside so strong
I know that I can make it
Though you're doing me wrong so wrong
You thought that my pride was gone
Oh, no, something inside so stro-o-ong
there's something inside so strong

The more you refuse to hear my voice, the louder I will sing
You hide behind walls of Jericho, your lies will come tumbling
Deny my place in me, you squander wealth that's mine
My light will shine so brightly, it will blind you 'cause there's

Something inside so strong
I know that I can make it
But you're doing me wrong so wrong
You thought that my pride was gone
Oh, no, something inside so strong
theres something inside so strong

(chorus with a bit more energy)

Something inside so strong

And I know that I can make it

But you're doing me wrong so wrong

You thought that my pride was gone

Oh, no, something inside so strong

theres something inside so strong
