

Year 3 Spelling

Home learning

Week beginning 27th April

Revise previously taught suffixes

-ed -ing -s -es -ness -ful -less -ly

Remember suffixes go at the end of the
words.

Remember sometimes
you have to double the last letter
or
remove the 'e' from the root word.

Look at these root words and the list of suffixes from the previous page.

How many new words can you make?

hope
care
share
like

hop
chat
clap
plan

Lesson 2

If you can, check your words in a dictionary or use 'Word Hippo' on the computer. Did you spell them correctly?

Do the same as yesterday but use these root words instead.

-ed -ing -s -es -ness -ful -less -ly

smile

phone

use

bake

rub

stop

hug

slip

Lets practise some of the words you should have created over the last 2 days. Copy out these sentences.

He hops and skips and smiles on his way to school.

I am hoping that when Jo hopped she didn't hurt her knee.

We are phoning the school and stopping the sharing of lollies.
